

Board Certified Behavior Analyst (BCBA) Overture Behavior Services

Have you been caught taking data on friends or family?

Do you endlessly try to shape other's behaviors?

Do you read peer reviewed articles just for fun?

Do you want to work to live, instead of live to work?

Do you yearn to experience the beauty of the Rocky Mountains?

Are you looking for a strong team that enjoys utilizing the science of Applied Behavior Analysis?

Then Overture Behavior Services is the right team for you!

Our agency provides numerous types of services for people with intellectual and developmental disabilities. We strive to increase the indices of happiness and independence for coworkers, the people we serve, and caregivers. **We believe in providing support to our ABA staff and creating an environment that fosters ongoing professional growth over a variety in caseloads.** We believe all persons have the right to make choices and pursue opportunities based on their wants, desires, goals, and dreams.

Overture's Behavior Services is seeking a Board Certified Behavior Analyst or BCBA candidate to utilize ABA principles when assessing and implementing effective behavior programming for persons of all ages with developmental disabilities. This position is responsible for helping to create clinical behavior assessments and plans, providing training and consultation to those implementing the plans, and providing ongoing behavior therapies directly to the person served. We provide our services in the home and clinic settings as determined by the client's individual need.

We provide many benefits to full time employees at Overture to include: mileage reimbursement, paid training, paid vacation time, sick time, continuing education, paid holidays, competitive salary, 401K, health, dental, and vision options.

Minimum Qualifications:

- Must be at least 21 years of age
- **Master's degree or higher in behavioral, social, psychology or health science and be certified and in good standing with the Behavior Analysis Certification Board OR Finished with BACB approved coursework and are preparing to sit for the exam**
- Must have training and/or experience corresponding with the service or being provided
- Must be competent and willing to preform crisis intervention physical managements as trained
- Work in full compliance with Overture policies, procedures and ethical code of the BACB
- Perform the physical demands of the position
- Frequent travel as caseloads are dispersed throughout Colorado Springs and Pueblo

Preferred Qualifications

- Two (2) years' experience in the field of behavior analysis for both children and adults with intellectual and developmental disabilities and/or related experience in the implementation of behavior analytic research

Job Type: Full-time
